CDM Smith

CDM Smith is a top-ranked global contractor and leader in at-risk project delivery.

The firm has executed **over \$2.5 billion** of design-build work for public, private and federal clients in the following areas:

- Water and Wastewater
- Facility Construction
- Transportation
- Energy
- Remediation
- Disaster Response

CDM Smith leverages the knowledge and expertise of our staff to provide innovative solutions from initial concept development through design, construction, commissioning, and operations and maintenance.

CDM Smith's designers and constructors provide the full range of construction services, including:

- Project Controls
- Cost Estimating
- Instrumentation & Controls
- Constructability Reviews
- Value Engineering
- Pilot Plants

From traditional design-bid-build and program management, to construction manager-at-risk, design-build-operate, and progressive design-build, our construction professionals are involved in early project planning and design to help our clients choose the right delivery method, while focusing on cost management and effective quality control.

Currently seeking Construction Specialists for nationwide opportunities. Background in Construction Management, Civil Engineering or Mechanical Engineering preferred.

Interested in learning more about our current job opportunities? Visit us online at cdmsmith.com/join-us today!

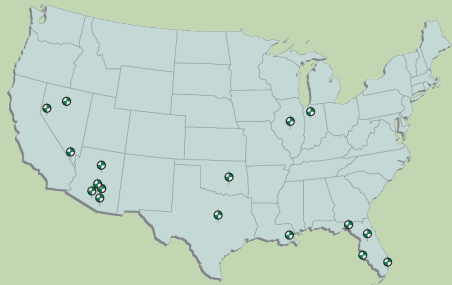

CAREERS AT CORE

Start & Grow Your Career With CORE

At CORE, we are looking for people who share our values and who want a career, not just a job. As a member of the CORE team, you will contribute to a wide range of construction sectors, be involved in complex projects that will help you grow as a construction professional, and be part of a team that works together every day to build communities across the country. Are you ready to take the next step in your career?

If you're looking for internship opportunities, CORE's program offers a unique and challenging opportunity for motivated people who are passionate about construction. We aren't looking for interns to get coffee and make copies. We're looking for interns who want to get inspired and start their career with a nationwide company with room to grow. Many of our full-time employees and company leaders started off in our internship program and have continued to grow with the company.

Begin your journey today.

Building UF Since 1968

Charles Perry Partners, Inc. (CPPI) is a professional general contracting, design build, and construction management firm with offices in Gainesville, Orlando, Jacksonville and Tampa, Florida and Savannah, Georgia.

Since 1968, CPPI has established a tradition of excellence by providing an impressive array of services for public and private sector clients, including healthcare, educational, commercial, government and institutional clients.

CPPI's services range from project planning and modeling, budget estimating and cost management, project scheduling and construction.

The firm is a leader in sustainability and is dedicated to the communities in which we serve.

CPPI is a proud supporter of UF with over 50 alumni.

CPPI is currently accepting applications for Project Managers, Project Engineers, Superintendents, Field Engineers and Interns (Field and Office) for all offices throughout Florida.

GL HOMES COMMITMENT TO EXCELLENCE

GLHOMES

QUALITY FROM START TO FINISH

Since 1976, GL Homes has grown from a small, local builder to one of the nation's largest. For four decades, GL Homes has created exceptional communities and built quality residences in Florida's most desirable locations. There are more than 63,000 people living in GL homes throughout Florida. Many have moved-up to their second, even their third, GL home. GL Homes' success is in the details. Many of the features that add value to a GL home and a GL community are not visible at first glance. Land purchases are strategically made. Master plans are crafted to balance the use of open space, lakes and recreation areas. Communities are carefully planned to be both beautiful and functional. Floorplans are scrutinized for a maximum use of space and functionality. Top quality materials are introduced at every step in the process. As you walk through our incredibly decorated model homes, you can see the difference in quality and excellence.

YOUR VISION | KAST OUR MISSION | CONSTRUCTION

KAST Construction is a full service construction management firm headquartered in West Palm Beach, Florida. KAST is diversified in a variety of market sectors including hospitality, multifamily residential, high rise condominium, private club facilities, office, municipal buildings, retail, healthcare, industrial, science and technology and the arts.

At KAST we believe that success is driven by innovation, creativity, and a focused, intelligent approach to everything we do. Our clients expect us to not only have the right answers, but to ask the right questions. To be more proactive, more insightful. To believe that nothing is impossible. **BELIEVING IN WHAT WE DO.**

To us, it's more than a paycheck. It's believing that the activities we perform on any given day will make a positive and meaningful impact to our clients and on every project we build. It is a deep commitment to raising the bar of excellence in our industry on every metric of productivity that exists. It is that strong sense of purpose we bring to the job that not only makes working at KAST such a rewarding experience, but also gives our clients a greater sense of trust in everything we do.

KAST has been ranked as one of the Best Places to Work in Florida by both Florida Trend Magazine and The South Florida Business Journal.

Commercial Development, Construction and Management

NDC Construction Company is a general contracting firm providing design-build, development and management services. Our project portfolio includes educational, institutional and retail spaces; medical office buildings; specialty entertainment centers; performing arts facilities and multi-family housing. Principals Ronald J. Allen, Gary L. Huggins and Gary Esporin lead from our corporate headquarters in Bradenton, Florida where the company has been located since the 1970's.

A recognized leader in our community and the construction industry, we serve with the utmost dedication and vision focusing on building a better community. Our keen ability to foresee the needs and desires of each community has been recognized by citizen groups, city council members, county commissioners and state representatives. Our unique business structure and philosophy attracts the best talent in the industry and fosters the highest standard of service and product quality.

NDC Construction's phenomenal growth is a result of customer referrals and a strong reputation in the industry. Recognizing the importance of our role as facilitators, we strive for clear and continuous communication which establishes early momentum and maintains a positive direction. This keeps key issues in the forefront and allows all parties to stay on schedule so they can take pride in the successful completion of each construction project.

BUILDING VALUE WITH VISION

COMPANY DESCRIPTION

Plaza Construction, established in 1986 with its headquarters in New York City, is one of the nation's foremost Construction Management and General Contracting firms. Our regional offices are located in Miami and Washington D.C. Since starting our operation in Miami in 2004, our firm has grown to become one of Florida's largest and most reputable builders successfully completing more than 150 projects in South Florida such as W South Beach, The Marquis, 1100 Millecento, Icon Bay and 1 Hotel & Homes among others. Plaza Florida currently employs 257 construction professionals, including interns as of January 2017.

Our firm consistently ranks among the nation's top 100 Construction Managers. Currently, Plaza ranks **#3** on South Florida Business Journal's The List of General Contractors, **#8** on ENR's Top Contractors list in the state of Florida, and **#15** on ENR's Southeast Top Contractors. China State Construction Engineering Corporation, one of the world's largest construction companies, has invested in Plaza and is ranked **#1** among ENR's Top 250 Global Contractors. This investment marks dynamic growth opportunities for our company, providing greater financial strength and bonding capabilities.

Precise was founded in 1988 and is a 2nd generation family owned business with unparalleled expertise in specialized healthcare facility construction. Our primary focus is on building long term relationships with our clients by providing the highest level of service.

We believe that the highest compliment we can receive is the “re-order”. Each year, approximately 80% of our projects come from existing clients. With over a quarter century of healthcare construction experience, Precise has a proven track record of success. We continually seek out clients and team members that share our business philosophies and core values.

Precise is led by Scott G. Johnson, Chief Operating Officer, and has approximately 30 employees. Our home office is located at 5026 Trenton Street, Tampa, FL 33619. Geographically, we are focused primarily on projects in the Southeastern United States, but we will service our existing clients anywhere they go. In 2014-2016, we have constructed new healthcare facilities in Florida, Alaska, Georgia, Oklahoma, Ohio,

Pennsylvania, and Missouri. The majority of our projects are located in Central Florida.

In addition to providing negotiated general contracting, construction management and design-build services, Precise provides turnkey development services, site selection, pre-construction feasibility studies, due diligence investigations, and consulting services. Precise is actively involved in the greater Tampa Bay community and we support our clients and their causes, wherever we provide service.

We are committed to hiring the best and brightest within our industry. We are recruiting Project Managers and Project Engineers to join our Team in Tampa.

If you are looking for a challenge and want to join a company that treats you like family, you've found a home at Precise.

The First Choice in Concrete Construction

UNITED FORMING

Founded in 1985, United Forming has grown into one of the largest **concrete subcontractors** in the Southeastern United States. From our corporate offices in Austell, Georgia, we have expanded across the country successfully completing projects in 14 different states as we continue to pursue new opportunities throughout the country.

United Forming is an Employee Owned Company with 100% of our stock held by the United Forming Inc. Employee Stock Ownership Plan ("ESOP"). All employees with more than one year of service are eligible to participate in this unique program which provides ownership and retirement benefits as a reward for the commitment and service of our "Employee Owners."

United Forming is currently recruiting construction minded individuals interested in Project Management, Estimating and/or Field Supervision. Internships and full-time positions are available in the Orlando and Fort Lauderdale areas.

Since 1945, Wehr Constructors has developed a portfolio of healthcare, worship, educational, judicial, industrial and institutional facilities ranging in costs from \$100,000 to over \$75 million. Although our focus over the past 20 years has been healthcare and worship facilities, we have completed numerous educational and commercial facilities. Wehr Constructors is owned and operated by the Berry family which includes five generations of general contracting and engineering experience. Our Tampa, Florida office has seen exponential growth over the last 15 years. Headquartered in Louisville, Kentucky with offices in Lexington, Kentucky and Tampa, Florida, we are proud to be a successful partner in so many areas of building growth.

Wehr Constructors is currently seeking individuals for our Project Management Summer Internship Program.

WINTER PARK
CONSTRUCTION

BUILDING BEYOND THE BLUEPRINT™

GENERAL CONTRACTOR

RECRUITING: CONSTRUCTION MANAGEMENT POSITIONS

Since 1974, Winter Park Construction (WPC) has been continuously building in the hospitality, multifamily, commercial, student housing, senior living, and renovations markets; along with HUD financed projects and construction management. Today we are one of the top construction companies in the region, with a tradition of excellence that is second to none. We have completed over 175 million square feet of construction, and our reputation for performance is backed by a \$300 million bonding capacity and \$25 million insurance umbrella.

It is our passion to provide a construction experience to our clients that exceeds their expectations. Our ability to deliver as promised, when promised, has earned us a repeat business rate of more than 80 percent.

Building communities by serving communities is the heart of the WPC way. We build communities every day, but it is our service, volunteering, and support of non-profits that we are most proud of.

Our team works hard together and plays hard together. Whether on the job or off the job, we at WPC share the same values, celebrate the same ideals, and dedicate ourselves to excellence.

WPC SUPPORTS THESE CHARITABLE ORGANIZATIONS

- THE FAINE HOUSE
- HOME AT LAST
- BRIDGES OF LIGHT FOUNDATION
- MENDING HEARTS CHARITIES, INC.
