## About Coastal...

Since our inception in 1988, Coastal Construction Group, has been the industry leader in construction related services to a fast paced and growing Central and South Florida Market, with offices in Miami, West Palm Beach, Orlando and Tampa. Based on our regional strength, Coastal offers challenging and rewarding careers to its employees on many high profile projects from Key West to Central Florida. As one of the nation's leading construction management / general contracting companies; and the largest builder based in the State of Florida, Coastal has more than \$2.0 billion in active commercial and residential projects.

Coastal operates five building divisions, including residential (single and multi-family), educational, commercial/office, hospitality and institutional projects. Our ability to quickly adjust to client needs and project challenges has provided the company an outstanding track record such that our new project portfolio repeatedly comes from over 85% recurring clients and design teams. Coastal benefits from highly sophisticated information technology, accounting, human resource and training systems.

At Coastal, It's Not Just Business...It's Personal. The Coastal Training Institute is an initiative that supports the Coastal's strategic plan of hiring, training and retaining the very best employees, providing a curriculum of seminars, workshops and courses covering a broad spectrum of topics dedicated to improving the professional careers and personal growth of the Coastal Team. These courses are also offered to the work force through mentoring and training programs within the local community.

A career at Coastal offers employees the opportunities and rewards associated with employment with a very large Contractor (upward mobility, long term career opportunities, industry leading salaries and excellent benefits). However, the real benefit of a career at Coastal is the personal attention afforded by a regional family owned and operated company with a team of long tenured employees built with the "family approach" in mind.

As we recruit for potential new employees Coastal looks to hire staff with three primary target areas. Does the candidate share our company culture, values and goals?

Coastal Construction Group is a collected assemblage of well experienced professional who are dedicated to Coastal's philosophy of integrity and overall excellence.

We pride ourselves in the quality of work we produce timely completion of our jobs and continually strive for 100% Customer satisfaction. As a member of our team we expect that you will share in our commitment.

The job placement at our firm has several options throughout our organization. Whether seeking internships in various departments or full time positions, focusing on project management, pre-construction services, BIM, purchasing or contract administration we welcome the opportunity to review your specific credentials and resume.

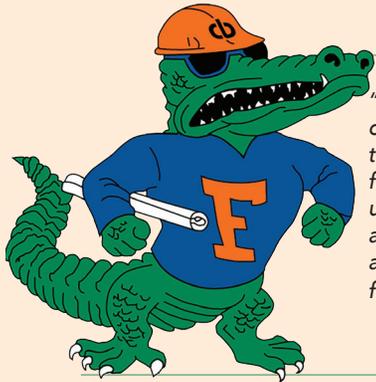

Your success at Coastal depends upon your own commitment to quality in your daily work as well as your initiative, flexibility, and ability to work as a team member. We encourage your success and professional advancement while working with our team and looking forward to hearing from you soon.

Celebrating 46 Years of Building Success and Commitment to the University of Florida's M.E. Rinker Sr. School of Construction Management

With Five Decades of BCN Graduates on our staff... we are always looking for the next generation of Gators to join our dynamic team!

"The University of Florida turns out the high caliber of employee prospects that serve as the foundation to Current Builders' legacy as a first class contractor. We value and respect the uncompromised standards set by the University and remain dedicated to its building program and to providing employment opportunities for its graduates."

Chip Reid, CEO
Class of '75

# WHO IS EVERGREEN CONSTRUCTION

Evergreen Construction is a full service multi-disciplinary general contractor and construction management firm offering comprehensive construction services. These services include pre-construction consulting, value engineering, construction management, general contracting, design/build and green building practices for both new buildings and renovations to existing facilities.

Based in Atlanta, Evergreen is well known for delivering outstanding quality and award winning projects in a number of highly competitive market segments including hospitality, higher education, K-12 schools, healthcare, performing arts, theatres and museums, religious buildings, sports facilities, laboratories, medical offices and clinics, retail, office/warehouse facilities, mission critical and office buildings. Because of this success Evergreen provides competitive salaries and benefits. Evergreen continues to serve the needs of private and public clients throughout the Southeast and is rewarded with their continued trust.

Evergreen Construction believes that their success begins with their employees. While professional, Evergreen's company culture is focused on creating a comfortable, stimulating and growth driven environment that encourages teamwork, open communication and camaraderie.

**Positions Available:** Intern | Asst. Project Manager | Project Manager | Asst. Superintendent | Superintendent

**Office Location:** Evergreen Construction, 3200 Cobb Galleria Parkway, Suite 240, Atlanta, GA 30339

Can a career transform your life?  
We make it certain.

Haskell, headquartered in Jacksonville, FL, is one of the industry's leading design, engineering, and construction organizations, and offers client-focused solutions in the industrial, commercial, government and civil infrastructure markets. Haskell provides planning, architectural, engineering, construction, systems integration and program management services with a 50+ year history of delivering the right solution for every client.

With customer service a top priority, the Haskell culture is responsive, entrepreneurial and collaborative. Excellence and delivering successful results are only possible with talented and creative professionals – and we seek the best to join our team. We are 100% employee-owned and team members embody our values of Team, Excellence, Service & Trust. Lifelong learning is a priority and we offer outstanding opportunities for professional and personal development.

## Building Relationships on the Foundation of Trust

General Contractors & Construction Managers Specializing in Retail & Commercial Construction

HGR was founded in 2003 and is based in Altamonte Springs, Florida with a branch office in Charlotte, North Carolina. Our Principals have a combined experience of over 100 years in the construction industry and believe the key to HGR's success is building relationships on foundations of trust.

HGR Construction, Inc. provides commercial construction services in the entire Southeast United States including Florida, Georgia, North and South Carolina, Tennessee, Virginia, Mississippi, Louisiana, and Alabama. Our construction services include Pre-Construction Services, Constructability Reviews, Value Engineering, Construction Management, General Contracting, Continued Maintenance Programs, and Troubleshooting.

While most of our projects are in retail/grocery, we also provide construction services for office, mixed-use, healthcare, hospitality/restaurants, manufacturing, warehouses and distribution center markets. Our client list includes, Legacy Lifestyle Assisted Living Facilities, Epic Theaters, TJ Maxx/Homegoods, Publix, Wal-Mart, EarthFare, 7-Eleven, Pier 1 Imports, Gap Outlets, Orlando Utilities Commission, Walgreens, and many other end-users.

Over the last 13 years HGR Construction has had the honor of being recognized by the Orlando Business Journal as one of the top ten construction companies in the Central Florida region. In the last three years HGR Construction has had the honor of receiving the Golden 100 Award, which recognizes the top 100 companies across all industries in the Central Florida Region, and the Fast 50 Award, recognizing the top 50 fastest growing companies in the Central Florida region. In 2016 HGR Construction received the Florida Fast 100 Award with the ranking of #29 in the Florida's Fastest-Growing Private Companies.

Many of HGR's Leaders are Alumni and we look forward to our partnership with the University of Florida. **HGR is looking for leaders!** While our business is technical, it is mostly relationship driven. We are seeking individuals with inherent leadership qualities, humility, and integrity.

Interviewing for: Assistant Superintendents, Assistant Project Managers, Interns, and field engineers for the main office in Altamonte Springs, Florida and the satellite office in Charlotte, North Carolina.

Email cover letter & resume to Carson Brownell at [carson@HGRconstructioninc.com](mailto:carson@HGRconstructioninc.com).

### BUILDING A FOUNDATION

Headquartered in Kansas City, Missouri, JE Dunn Construction is a family and employee-owned commercial general contractor with expertise in construction management, program management and design-build projects. With 20 offices nationwide, and a volume of \$3 billion for 2017, we are ranked as the 10<sup>th</sup> largest general building contractor in the nation by *Engineering News-Record*.

We enrich lives through our community service work, our development programs for employees, and most importantly through the people who use the buildings we have the privilege of building. We have found that inspired people build inspired places. And these places create and foster inspiration in the communities they serve.

We took some time to define the real principles that guide our company, our people, and how we approach our work and lives.

**WE BELIEVE IN:** Families First. Doing the Right Thing. Serving Others. Fun and Fulfilling Lives. Health and Well being. Growing as a Team.

**WE ARE:** Proven Builders. High Performers. Genuine. Employee Owners. All In. JE Dunn.

We are committed to delivering the best project outcomes for all clients and creating the best work environment and opportunities for our own employee-owners. We are excited looking toward the future knowing that **we exist to enrich lives through inspired people and places** in our **pursuit of building perfection**.

**BACKGROUND & YEARS IN BUSINESS**

Clancy & Theys Construction Company was founded on January 7, 1949 in Raleigh, North Carolina by brothers-in-law E.I. Clancy and J.C. Theys. Originally named Clancy Construction Company, it changed to its present name in 1962. Since its founding, the company has been led continuously by a member of the Clancy family serving as president. The Theys family sold its shares of the company to the Clancys in 1986.

# Make Lasting Impressions

For over fifty years, ISEC, Inc. has been providing innovative solutions as a prime trades contractor for general trades, architectural woodwork, ornamental metals, doors, frames & hardware, specialties, laboratory furniture, and medical equipment. Our core values: commitment to customer, integrity, respect, safety, and teamwork are the cornerstone of our business. With offices nationwide and over 1,200 professionals, we invite you to build your career with us.

## Current Openings

### Project Manager

Albeit a bit like an orchestra conductor, the Project Manager is in constant pursuit of harmony from the owner, architect and general contractors to the subcontractors, suppliers and installers. The key to the overall project success lies in the hands of this person to communicate and deliver the project right down to the finale.

### Estimator

Are you detailed with a good head for math mixed with deadlines and addendums? We bid every type of project, so it's always a new venture into the world of blueprints and budgets. General trades, medical equipment, laboratory furniture, doors, frame and hardware, and architectural woodwork specialists all bring their expertise to the bid table in this fast-paced environment.

## Careers with ISEC

Business Development	Project Coordinator
Carpenter / Superintendent	Project Engineer
Engineer	Project Manager
Estimator	Purchasing Agent

MCM is a family owned builder committed to delivering total client satisfaction with an uncompromising dedication to quality and safety. We are an ISO 9001:2008 certified construction company specialized in building and heavy civil construction with a proven track record of delivering diverse and successful projects over the last 34 years.

At MCM we are honored to be part of an alliance of public and private entities committed to enhancing and expanding the infrastructure of the communities we serve. As a family owned business, MCM offers outstanding service and direct access to the firm's ownership. With this philosophy in mind, we foster close communication with our clients to guarantee every project is built to exceed expectations, as we develop long-lasting relationships.

### OUR PEOPLE

Our biggest asset is our people. We are proud to offer our clients degreed, licensed and certified technical, executive and administrative professionals specialized in every field of general building and heavy civil construction. We embrace diversity and value the contribution of people with different skill sets and cultural backgrounds. As the firm continues to grow, we are always eager to find new talent with potential to become the next generation of leaders committed to Building Excellence.

### OUR CULTURE

As a family owned company, we foster an environment where everyone feels they are part of the team. We grow leaders from within; we train, encourage and empower our personnel to meet challenges and make decisions, and as true leaders, they blossom when invited to take ownership in the work they perform.

BUILDING VALUE WITH VISION

**PLAZA**  
CONSTRUCTION

## COMPANY DESCRIPTION

Plaza Construction, established in 1986, is one of the nation's foremost Construction Management and General Contracting firms. With offices in New York, Miami, Washington D.C. and Tampa, our firm has grown to become one of America's largest and most reputable builders.

Plaza Construction ranks **#3** on the list of ENR's Southeast Multi-Unit Residential Top Contractors and **#6** on South Florida Business Journal's The List of General Contractors. China State Construction Engineering Corporation, one of the world's largest construction companies, has invested in Plaza and is ranked **#1** among **ENR's Top 250 Global Contractors**. This investment marks a dynamic growth for our company, our employees and stakeholders.

Plaza Florida currently employs over 220 construction industry professionals and has built city landmarks such as One Thousand Museum by Zaha Hadid. With many exciting opportunities for career development, industry involvement, and participation in local fitness and charity events, our culture promotes engagement, transparency and teamwork!

WINTER PARK  
CONSTRUCTION

BUILDING BEYOND THE BLUEPRINT™

### GENERAL CONTRACTOR

#### RECRUITING: CONSTRUCTION MANAGEMENT POSITIONS

Since 1974, Winter Park Construction (WPC) has been continuously building in the hospitality, multifamily, commercial, student housing, senior living, and renovations markets; along with HUD financed projects and construction management. Today we are one of the top construction companies in the region, with a tradition of excellence that is second to none. We have completed over 175 million square feet of construction, and our reputation for performance is backed by a \$300 million bonding capacity and \$25 million insurance umbrella.

It is our passion to provide a construction experience to our clients that exceeds their expectations. Our ability to deliver as promised, when promised, has earned us a repeat business rate of more than 80 percent.

Our team works hard together and plays hard together. Whether on the job or off the job, we at WPC share the same values, celebrate the same ideals, and dedicate ourselves to excellence.

Building communities by serving communities is the heart of the WPC way. We build communities every day, but it is our service, volunteering, and support of non-profits that we are most proud of.

### WPC SUPPORTS THESE CHARITABLE ORGANIZATIONS
